WASP Wildfire Sprinkler Kit Application Form

Objective: To provide landowners with fire prevention methods in fire prone areas within the district.

1. ELIGIBILITY & FUNDING

The Northeast Red Watershed District (NRWD) delivers programming with the partnership from multiple organizations. To be eligible for programming, you must **own or rent** land within the NRWD boundaries in the following Rural Municipalities: *Brokenhead, Lac du Bonnet, Reynolds, Springfield, St. Clements, Ste. Anne, or Taché.*

Cost-share: The NRWD will purchase the WASP Sprinkler Set and offer them to the landowner at a subsidized cost of **\$75**. Only one application per property.

2. APPLICANT INFORMATION

Applicant Name: _____

Phone Number: _____ Email: _____

Mailing Address (Street, City, Postal Code): _____

Legal Land Description of Well (Section-Township-Range): _____

Municipality: _____ Sub-District: _____

3. WASP SET INFORMATION

WASP Wildfire Protection Full Kit (with hoses): Gutter mount sprinkler system designed to perform well in wildfire conditions and are equipped with wind fighting sprinkler heads. They create an area of humidity around the structure and extinguish wind-blown embers.

Kit includes:

- 2 gutter mount sprinkler brackets.
- 2 agricultural grade, wind fighting sprinkler heads.
- 2 patented fascia/fence brackets for homes and structures without gutters.
- 2 fire department grade 25 foot lay-flat hoses with standard connectors.

Describe why this product/program would be beneficial for your property:

4. CONDITIONS

The Landowner shall:

1. Understand that all projects are subject to available funds and projects **must be approved** by the Northeast Red Watershed District Board and staff **prior** to construction or installation of the projects.
2. Not alter, remove, or modify the project without written consent of the District.
3. Indemnify and save harmless the Northeast Red Watershed District, their agents, engineers, servants, and/or employees from any liability which may result from this project.
4. Provide access for inspection or evaluation by the Northeast Red Watershed District representative at any reasonable time.
5. To receive WASP product, must provide the Northeast Red Watershed District with:
 - a) \$75 subsidy payment made by cheque or e-transfer. Cheques can be made out the Northeast Red Watershed District. E-transfer information available upon request.
 - b) Signed application form.
6. Must never sell the subsidized product for profit.

The Northeast Red Watershed District shall:

1. Notify the landowner regarding the status of their application(s).
2. Process the subsidy payment and provide applicant with the WASP sprinkler set.
3. Provide contacts and technical support for product use and installation.

5. DECLARATION AND SIGNATURE

I hereby declare that I have read the conditions and I agree to abide by the conditions. I further agree to cooperate with the Northeast Red Watershed District in this regard.

Signature of Applicant(s)
